

Report of Law Enforcement Officer Initiating Involuntary Examination
 State of Florida, County of Orange, Florida

O/S Bilings am a law enforcement officer certified by the State of Florida. In my opinion
Lawrence Destefano appears to meet the following criteria for involuntary examination:

1. I have reason to believe said person has a mental illness pursuant to Section 394.455 (1)(a), F.S., and because of the mental illness (check a or b):

a. Person has refused voluntary examination after conscientious explanation and disclosure of the purpose of the examination; OR

b. Person is unable to determine for himself/herself whether examination is necessary, AND

2. Either (check all that apply)

a. Without care or treatment said person is likely to suffer from neglect or refuse to care for himself/herself, and such neglect or refusal poses a real and present threat of substantial harm to his/her well-being and it is not apparent that such harm may be avoided through the help of willing family members or friends or the provision of other services; AND/OR,

b. There is substantial likelihood that without care or treatment the person will cause serious bodily harm to (check one or both) self others in the near future, as evidenced by recent behavior.

Circumstances supporting this opinion, including specific information about the person's behavior, threats and actions, and information offered by others:

ON 10/26/05 MR DESTEFANO WAS IN COURT TESTIFYING WHEN A HOLSTER WAS OBSERVED ON HIS RIGHT WAISTE. HE ALSO MADE STATEMENTS THAT HE HAD NO MORE REASON TO LIVE, HE DID NOT CARE ABOUT LIFE. HE THEN LOOKED AT THE HOSPITAL PERSONS AND SAID BEFORE THE DAY IS OVER SOME ONE WILL GET HURT. THIS INCIDENT WILL GET YOU KILLED
