1 Q. You do the assessment and then make sure  
2 that there is somebody to carry out the needs that you  
3 have assessed?

4 A. For one aspect of the patient care, yes.

5 Q. Did you ever work with Carolina  
6 Destefano?

7 A. No.

8 Q. Do you know who that is?

9 A. Only by name. No, I do not otherwise.

10 Q. But you never did any work with Carolina  
11 or for Carolina Destefano?

12 A. No.

13 Q. Do you know Larry Destefano?

14 A. Only by what's been going on.

15 Q. When was the first time that you became  
16 aware of Larry Destefano, roughly? And I'm not going  
17 to stick you to an exact date. If you are not sure,  
18 it's fine to say that you're not sure.

19 A. I don't know a date. I know it was after  
20 he was taking his mother out of the facility. Then he  
21 was out in front of my window picketing seems like  
22 forever.

23 Q. Can you give me an approximate date of  
24 when you first became aware of him?

25 A. It was prior to this obviously.
